

R. A. Heller – Machine Shop

Locally Owned and Operated Since 1946

Cincinnati Chromium Plating

R. A. Heller has been locally owned and operated since 1946. We pride ourselves on being a reliable partner, providing quality products, and striving for total customer satisfaction.

Our machine shop provides services throughout the Midwest, Southeast, and Northeast regions, so no matter where you are, we can handle your needs.

Hydraulic Piston Rod

Whenever you have a hydraulic piston rod repair job, trust it to R. A. Heller's piston rod rechrome department. We have over 150 years of collective cylinder repair experience, working on a wide range of jobs from the most critical cylinders for the steel and aluminum industry to environmentally sensitive medical industry.

Our extensive experience is further enhanced by our excellent chrome plating shop, an all purpose machine shop, complete with a fully equipped grind shop.
